The Power of Compassionate Connection

Presenter: Tim Markle

Director WI Youth Health Transition (YHTI); Outreach Manager Children's Resource Center-South

To build authentic connections, we must let go of the stories we tell ourselves. By opening our hearts and minds to the experiences of others, we cultivate curiosity and understanding. Empathy forms the bridge that connects us, where gentle words and open minds foster strength. In this shared space these harmonies of the heart, woven together, have the power to unite and transform.
