

## Engaging & Supporting Families Through Groups & Networks

A FREE 4-part workshop series!

*For families of a child with an IEP, community agency members and educators*

**Thursdays from 9:00 a.m. - 11:00 a.m. on Zoom  
9/12/24, 9/19/24, 9/26/24 and 10/3/24**

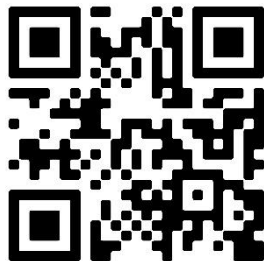

**Workshops are NOT recorded. If registered, you are encouraged to attend all sessions.**

**You must attend all four sessions to receive a Certificate of Completion.**

### **This learning opportunity is for YOU if:**

- You want to offer opportunities for families to network with one another.
- You know families who are interested in participating on a special education advisory group.
- You want to take a more active part in decision-making processes in your child's school district or community.

[REGISTER HERE](#)

Link for the Zoom meeting will be sent upon registration and in reminder emails.

### **Using the Serving on Groups curriculum participants will:**

- Learn how to form a group, identify a purpose and structures to ensure the group works well together.
- Assess and grow their own personal strengths, knowledge, and skills for effective participation and leadership within the group.

**Send email with any questions to:**
