

Families As Partners

Join us for a virtual, multi-session education and leadership opportunity for families focused on building relationships with school staff and others that can lead to improved outcomes for students.

Mondays in October on ZOOM

5:30 p.m. – 8:30 p.m.
10/6/25, 10/13/25, 10/20/25, 10/27/25

Registrants are asked to commit to attending all workshop dates.

Sessions are not recorded

During this 4-session workshop, family members and caregivers will:

- Learn about their **role in the IEP** process
- **Use Eco-Maps** to identify the support relationships, strengths, and areas to focus on
- Discover ways to **communicate, collaborate, and problem-solve** with school staff and others
- Identify **community resources** that could support their child and family
- Share their **family's experiences** of raising their children with other families
- Create a **Family Action Plan** to take the next steps

Registration is required.

You will receive the ZOOM meeting link one week prior to the first session and in reminder emails.
