Why should I attend a the Families As Partners Series?

Families As Partners is specifically designed to develop family members' or caregivers':

- ◆ Confidence to support their children's education and learning
- ◆ Connections with school staff, agencies, and organizations as well as networking with other families
- ◆ Beliefs that they can partner with school staff to reach the high expectations they have for their children
- ◆ Knowledge and skills so that they can effectively collaborate, communicate, and advocate for all students with IEPs
- ◆ Take action by developing a Family Action Plan
