

Navigating Special Education Resources

A learning opportunity for families of students with an IEP.
Presented by the Wisconsin Statewide Parent Educator Initiative

**This 2-part series is open to families, educators, and agencies via Zoom:
12/1/2023 and 12/8/2023
From 9-10:00 a.m.**

Special Education is complex and navigating the special education system can be difficult. This workshop will help participants gain basic information about special education, learn about resources and specific tools and strategies to use when working with school staff to support their child.

We will identify other state/local organizations that can assist you on your child's educational journey!

Session 1 Topics: Acronyms/Terms; Birth-3; Pre-School; Communication

Session 2 Topics: Evaluation Reports; IEPs; Transition(PTP); General Information

Sessions are not recorded.

Attendees are asked to commit to both sessions.

Deadline to register is Friday, November 17th
