**OR**

**Thursday, September 25<sup>th</sup> from 12:00 p.m. – 1:30 p.m.**

*For families of a child with an IEP, self-advocates, educators and community agency members.*

Workshops are NOT recorded. If registered, you are encouraged to attend all sessions.

This workshop will give participants the essential tools to prepare for **meaningful transition conversations** with IEP teams.

During our time together:

- Families will understand the Postsecondary Transition Plan process and how to be actively involved.
- Families will identify at least two resources or agencies to connect with to support their child's transition after high school.
- Families will learn how to use the **WiTransition App**

Just like every great recipe, each transition plan is unique, seasoned with a person's individual strengths, preferences, interests, and needs.

**Come cook up a successful future with us!**
